F. Credit and Identification Record

The records of the Credit Bureau of Palm Beach County, West Palm Beach, Florida, reflect the subject came to West Palm Beach, Florida, in 1950, from Pittsburgh, Pennsylvania, where she operated a nursing home. In West Palm Beach she operated a nursing home called Sunnyside, Inc. Her net worth is listed as \$30,000 in 1953.

A small claim suit was filed against the subject April 16, 1956, in the amount of \$26.50. Two small claim suits were filed against Sunnyside, Inc., totalling \$575.00.

A check of the West Palm Beach, Florida, Police Department, and the Palm Beach County Sheriff's Office reflects no arrest record for the subject.

On May 9, 1963, [redacted] Ident, Allegheny County Detective Bureau, Pittsburgh, Pennsylvania, and [redacted] Ident, Pittsburgh Police Department, advised their files contained no arrest record for the subject.

On May 10, 1963, [redacted] Probation Officer, Allegheny County Probation Office, 521 Courthouse Building, Pittsburgh, Pennsylvania, made available for review their probation office case No. 53602 for MARY M. DAVISON, age 65, widow, no children, 227 North Negley Avenue, Pittsburgh 6, Pennsylvania, occupation none, which reflected that she was tried in Allegheny County Criminal Court under Docket No. 420, February Session, 1949, for the offense of operating a private nursing home without a license. The Probation Office records set forth on December 13, 1946, defendant did operate a private nursing home at 314 North Neville Street, Pittsburgh, without a license; that an information was filed by County Detective WILLIAM HAUSHALTER, before Alderman FRANK H. HALLORAN, Pittsburgh; that on 10/26/50, she was tried before Judge O'TOOLE and found guilty; that she applied for a new trial which was refused. On June 25, 1951, she was placed on probation for one year and was to

pay court costs of \$162.05 through the Probation Office. She was to report on the 25th of each month to the Probation Officer. The record reflected that on June 8, 1955, the "Collection transferred to Clerk of Courts under Court Order of 6/23/54."

Some of the notations on this probation office record were as follows:

6/25/51 - Defendant interviewed after her hearing and probation officer explained conditions.

8/8/51 - Mail to defendant; requested to report at once.

8/20/51 - Defendant in office in response to mail - advised she was in Florida visiting sister - her attitude was one of indifference, has no respect for courts. Noted she was a member of a group known as the Committee for Juvenile Justice, lots of newspaper publicity. No source of income; disturbed over court costs - said she had no money to pay court costs. Can stay at same address free until she finds employment.

8/30/51 - Defendant in office, would like to go to Florida in September, feels she could get work there. In view of outstanding court costs, she would have to see Mrs. KOEGLER (Case Worker) to get permission to leave.

10/9/51 - Card to defendant to see Probation Officer at once and make payment.

12/6/51 - Letter to defendant to see Probation Officer by 12/14/51 or process will be issued.

12/7/51 - Receipt response to above mail filed.

12/18/51 - Mail to defendant.

3/18/53 - Attorney VELMA GRAPP discussed case with

MM 157-750

Probation Officer. Attorney GRAPP was informed that if the costs of \$162.50 were made immediately, they would close case. Otherwise, it would be necessary to take subject before the Court for violation.

The last notation on the record was "Collection Transferred to Clerk of Courts under Court Order of 5/23/54."

In an effort to locate a set of fingerprints for the subject, on May 13, 1963, [redacted] Identification Officer, Allegheny County Detective Bureau, Pittsburgh, was recontacted at which time he advised that it had been a long standing rule that women who are committed to the Allegheny County Jail are not fingerprinted, and, therefore, his office had no record or fingerprints for the subject. He stated that one could check with the jail to verify that the subject was committed there but was very doubtful that they would have any fingerprints.

On May 13, 1963, [redacted] Identification Officer, Allegheny County Jail, Pittsburgh, made available their commitment record No. 72201 for MARY M. DAVISON, 435 Neville Street, Pittsburgh, Pennsylvania, which reflected that she was admitted to the Allegheny County Jail on May 16, 1945, for violation of a city ordinance and on May 18, 1945, upon hearing, the prisoner was discharged on a writ of habeas corpus by order of the Court. The record reflected that the Magistrate was WARTERS and the Prosecutor O'TOOLE, and she was described as white, widowed, born in the United States, occupation - nursery home, and religion - none.

[redacted] advised that the Allegheny County Jail had no fingerprints for the subject. [redacted] stated that he had been at the jail since 1948, and except for a short period of time, two or three years ago, it has been the policy of the jail not to fingerprint women who are committed unless there is a specific request by someone. It was his opinion that the above policy was also in effect in 1945, when the subject was committed. He stated that the male prisoners are fingerprinted at the time they are committed, and their prints are subsequently turned over to the Allegheny County Detective Bureau, as well as a copy being sent to the Identification Division of the FBI.

II. Connections with Klan-Type and Hate-Type Organizations

MM T-1, who is familiar with Klan and hate-type organizations, advised on January 16, 1963, that MARY M. DAVISON was selected as a member of the Board of Directors of the Council for Statehood.

A characterization of the Council for Statehood appears in the appendix of this report.

MM T-1 advised on February 1, 1963, that [redacted] American Nazi Party (ANP) [redacted] [redacted] He has been unsuccessful there in organizing a unit of the ANP; however, while in West Palm Beach he worked closely with MARY DAVISON who is in agreement with ROCKWELL's movement of the trial and execution of all Jews guilty of Communism. He noted that publicly DAVISON will not back the ANP. He stated this is merely a cover for the ANP in order that members can be developed without identity being known to the authorities or general public.

b7C
b7D

A characterization of the ANP appears in the appendix of this report.

The subject was interviewed May 8, 1963, at which time she advised she attended the Conference of the Congress for Freedom, Inc., in New Orleans, Louisiana, during the first week of April, 1963, as a representative of her organization known as the Council for Statehood. She said the aims and objectives of her organization are to acquaint the people, through correspondence, that their constitutional rights are being taken away by Federal agencies. This correspondence is prepared and sent by her group to representatives in various states.

MM T-1, who has furnished reliable information in the past, advised [redacted]

[redacted] He described the subject as a top leader in segregationist groups in that area and an affiliate of the National States Rights Party (NSRP). They discussed the holding of a segregationist rally in West Palm Beach, and MM T-1 advised that the subject is very interested in segregation matters and told him she would not allow integration in Palm Beach County.

MM 157-750

A characterization of the National States Rights Party appears in the appendix of this report.

On November 3, 1958, a confidential source advised the NSRP was formed in 1958 and was composed of past members of the KKK and notorious anti-Semites. At its convention on August 30, 1958, NSRP indicated it was a political party dedicated to segregation.

The KKK has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On November 14, 1958, MM T-2, who has furnished reliable information in the past, made available a list which was in the possession of the president of the Seaboard White Citizens Council, a white supremacy anti-integration organization. This list was partial mailing list for that organization, and included in the list was MARY M. DAVISON, West Palm Beach, Florida.

On April 1, 1960, MM T-3, who has furnished reliable information in the past, advised he had learned that MARY DAVISON was holding meetings of the White Citizens Council in West Palm Beach, Florida. He stated DAVISON was quoted as saying she would take the 5th Amendment when visited by the census taker.

On December 4, 1960, MM T-3 advised that in connection with the White Citizens Council, [REDACTED] He said there did not appear to be much activity in this area insofar as the White Citizens Council was concerned.

III. Statements by Subject Concerning Violence and Activity in Racial Situations

The subject was interviewed on May 8, 1963, at which time she advised she would have nothing to do with anyone who advocates or suggests any form of violence. She stated if the present plans fail to arouse interest in a constitutional convention, the people in the various states would just have to give up. She added there is no other possible action to take and any violent action would be completely out of the question.

MM 157-750

MM T-1 advised on April 15, 1963, that the subject attended the Congress of Freedom, Inc., convention at New Orleans, Louisiana, April 4-6, 1963, as a representative of the Council for Statehood. He advised that the Council for Statehood associated themselves with the Congress of Freedom in their program of eliminating the Council on Foreign Relations through legislation if possible; however, if not possible, the Congress of Freedom will resort to eliminating the Council on Foreign Relations through assassination. He pointed out there are no plans concerning assassinations in the foreseeable future, and this information was learned by [redacted]

[redacted] in the Council for Statehood.

he gained the impression that there is in existence a "high command" of the joint groups. Identity of this "high command" is unknown. [redacted]

[redacted] according to the Congress of Freedom, the Council on Foreign Relations is not a government agency but is an underground Communist organization which helps formulate United States foreign policy.

On April 5, 1963, MM T-1 advised [redacted] a booklet entitled, "The Secret Government of the United States," [redacted] MARY DAVISON. This booklet, [redacted] contains the names of people in the Communist conspiracy, listed in five groups, who are attempting to overthrow the United States [redacted]

[redacted] MARY DAVISON.

The booklet entitled, "The Secret Government of the United States" was written by MARY M. DAVISON, Secretary, Council on American Relations, copyrighted 1962, published by the Greater Nebraskan, 1330 Turner Boulevard, Omaha, Nebraska.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

COUNCIL FOR STATEHOOD, AKA FREEMEN

A source advised on December 4, 1962, that a meeting was held on December 4, 1962, by a group using the name "Freemen" at West Palm Beach, Florida. The source stated that

[REDACTED]

the group intended to have a good status in the public eye, but would be an action group with connections elsewhere in the State of Florida, which connections could be called upon to take any necessary local action involving violence.

A second source on December 12, 1962, stated that a meeting was held on December 11, 1962, by the above group and they had now selected the name "Council for Statehood." The organization was to meet on Tuesday nights at different places. This second source stated that in order to join the organization an applicant must be recommended by two or more people as an "A-1 patriot" and pay a fee of \$5 for which no receipt would be given. The general purpose of the organization, according to the source, is to eliminate, by force if necessary, all Jewish people who hold high positions in business and Government and eliminate all Jews who are communists.

George Lincoln Rockwell Party

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party." The second source mentioned above advised on September 24, 1962, that ROCKWELL will continue to carry on his activities, using the name American Nazi Party, and he obtained the charter for the George Lincoln Rockwell Party merely to be able to do business as a corporation.

MM T-1, who has furnished reliable information in the past and in addition has furnished information which could not be verified or corroborated, advised on April 15, 1963, that the subject attended the Congress of Freedom, Inc., convention at New Orleans, Louisiana, on April 4 - 6, 1963, as a representative of the Council for Statehood.

Attached to this memorandum is a characterization of the Council for Statehood and sources therein have furnished reliable information in the past.

He advised that the Council for Statehood associated themselves with the Congress of Freedom in their program of eliminating the Council on Foreign Relations through legislation if possible; however, if not possible, the Congress of Freedom will resort to eliminating the Council on Foreign Relations through assassination. He pointed out there are no plans concerning assassinations in the foreseeable future and this information was learned by

[redacted]
he gained the impression that there is in existence a "high command" of the joint groups. Identity of this "high command" is unknown. [redacted]

The above letter indicates it is signed by MARY M. DAVISON, Editor, Council for Statehood, 710 Summit Boulevard, West Palm Beach, Florida. The letter itself appears to be a two page summary of the alleged history of the Federal Reserve System, and is closed with the notation, "Communism is Jewish."

MM 157-750

P. O. Box 1131, North Miami, Florida, 33161.

[redacted] advised this "warning" outlined the fact that the President "will be in the Pacific this coming weekend while Peaceniks and Civil Rioters are organized to converge on the Pentagon." In addition, the "Governors of all of the states are scheduled to be on a luxury Virgin Islands cruise."

b7C
b7D

MARY DAVISON requested that the Congressmen and Senators, Governors and all State Representatives be warned and alerted immediately to be available for necessary action.

On February 16, 1968, Indianapolis advised that MM T-3 had advised that on November 10, 1967, he had received a postcard from HELEN HALIG (illegible), Secretary of the Council for Statehood, P. O. Box 1131, North Miami, Florida, 33161, the card being dated November 8, 1967, and postmarked Miami, Florida, November 8, 1967. He had previously requested that Council for Statehood furnish him some of their literature. This postcard read as follows:

"We are mailing you some Council for Statehood material, which you will find very informative-- if you will send us a few names--of your friends we will send them some material--then perhaps you can get a group together for a study session. Miss Davison has made some wonderful study tapes which will be helpful--the names in our file from Indiana live in the Central and Southern part of Indiana. If you can use these names we will be happy to send them to you.

"/S/ Helen Halig (illegible)
Sec."

MM 157-750

He stated that from other literature he had received from Council for Statehood, he was aware that Miss DAVISION was in reality MARY M. DAVISON, Editor of Council for Statehood.

On March 4, 1968, [redacted] of the U.S. Marine Corps, whose office is at 6600 N.W. 27th Avenue, telephone OXford 1-0991 (or OX 1-0992), stated that one of his duties is to visit the families of members of the Marine Corps who are killed in Vietnam.

One of these widows is [redacted] who presently lives at [redacted] Florida; her husband was killed February 1, 1968, in Vietnam. He said she got a letter that bears a somewhat illegible postmark, but it is postmarked February 12, 1968, which contained some printed material, much of which was from the Council for Statehood, MARY DAVISON, Editor, address P. O. Box 1131, North Miami, Florida, 33161.

b7C

He pointed out that [redacted] was already distraught at the loss of her husband and this printed material further aggravated this situation.
